## Family Fun News

A big thank you to all the families who participated in our fundraiser night at Skateland. We know all the kids enjoyed rolling through the night with their friends. We also had a very successful fundraiser with Chuck E. Cheese. Chuck E. came to the school to send the kids home on the bus! The kids met him at his place to help raise over \$300 for our school. Thank you for your support!

## School Supply Store News

If you have seen plastic tokens floating around in your child's backpack, congratulations! They are rewards for good behavior at school. They are worth 25 cents and can be redeemed every Monday and Friday at the school supply store. We offer all sorts of school supplies (erasers, pencils, glue, folders). All items are priced from 25 cents to \$1.00. New supplies have recently been added, so bring in tokens or spare change and check out the school store!
