Summer Vacation

Spring Fling was a huge success! We are thrilled to report that the Spring Fling Auction yielded approximately \$18,500 and the carnival profited approximately \$7,500. Even more importantly, individuals and families had a wonderful time at the events.

Thank you to all families who donated items and financially supported the classroom games, baskets, crafts and auction. Thank you to the volunteers who donated their time to organize the auction and carnival and who worked the various stations during the festivities. We look forward to seeing the funds from these events used to continue to provide opportunities for our children.
